HONDA ACCORD REPAIR MANUAL Pdf Download | ManualsLib

The '96 Fords may still have a 2 1/2 or 3 lb. charge. On the '97 Honda they already may have cut that back to around 1 - 1 1/2 lb. Now a lot of the cars, such as the new Chevy Malibu, have really low refrigerant charge volumes, so I would expect that a considerable number of these systems will need some refrigerant added after several years.
