the Spare parts Catalog please inform engine model and Serial Number. The serial number of the engine is absolutely necessary information.

DEUTZ Engine Manuals & Parts Catalogs

I have decided to keep the Deutz for now as overall it runs great. I'm planning to add a turbo, limited to 10 PSI, and adding a Ranger Torque Splitter, to get better freeway speeds. Right now top cruising speed is about 65 MPH. The engine starts instantly and runs smooth. But when I accelerate hard it blows black smoke. Lots.
