Film Production Management 101 and Patz' previous Surviving Production were quickly adopted as "the" essential road map to the business and logistics of on-the-job film & television production since 1997. Originally developed from practical tools Patz created for her film and television production career, this new edition has undergone a comprehensive update to address the

Film Production Management 101: Management & Coordination ...
If a member of the film's team is told when to start work and when they can stop work, that makes that person an employee and not an independent contractor. "1099 workers" should be a thing of the past and should not be tacitly endorsed as a film or TV industry classification as mentioned in the Pre-Production checklist.

The Ultimate Pre Production Checklist for Film & Video ...
Production accountants do all the things accountants do, but they do it on film locations amidst the buzz and creativity of making a movie. They calculate finances, work out the cost of a production, talk to the completion guarantor (an insurance policy to make sure the film is delivered on time and on budget) and control the cash flow, or ...
