Personal Response: I read the book Flight 116 is Down by Caroline B. Cooney. The book was a great book in my mind. Even though the cover gives the crash away it still surprised me. The book was written with great detail. The writer really makes it feel like the story and the crash was happening around the reader.

There were plenty of horrible things that happened, and Caroline B. Cooney has plenty of horror credits to her name, but Flight 116 is Down was more of a disaster/action story. There was no mysterious cause for the crash or creepy locals loitering around the crash site and causing trouble. There wasn't even really a mystery to speak of.
