Excerpt. We had several goals in creating Focus on Single-Parent Families: Past, Present, and Future. First, recognizing that single-parent families are now a notable and apparently a permanent part of American family life, we wanted to produce an anthology of superior primary source materials covering single-parent families.

Focus on Single-Parent Families: Past, Present, and Future ...

Whether you're a single parent by divorce, separation, or the death of a spouse, your children can thrive. And even if your child is currently exhibiting problems, he or she can eventually flourish. There is hope, and every reason to believe that your child's chance of success can be just as great as his or her peers in two-parent homes.
