Found In Translation How Language

"Found in Translation is a meditation, an exposé, and practical guidebook to humanity's continued, painstaking ascent of our monumental tower of Babel. Without language diversity, we would be intellectually impoverished, and with it we are enriched.

Found In Translation: How Language Shapes Our Lives and ...

In a way, it is sort of a real-life magic trick, which is a very cool way to think about it. "Found in Translation" is really a book about the importance of translation in a place where we don't all share the same language, culture, or experiences. Translation is how we understand each other.

Found In Translation: How Language Shapes Our Lives and ...

Found in Translation has a two-fold mission: to give low-income bilingual women an opportunity to achieve economic security through the use of their language skills, and to reduce racial, ethnic, and linguistic disparities in healthcare by unleashing bilingual talent into the workforce. © 2019 Found in Translation.
