Halfway To Hollywood Diaries 1980

Halfway to Hollywood is the second volume of Michael Palin's personal diaries. Here we cover the post-Python and pre-travelogue years of 1980-1988. The Missionary, Time Bandits, A Fish Called Wanda etc are all covered here and, if anything, I'm finding this more interesting than the Python-centric first volume (although Python, naturally enough, is still very prominent).
