campus is located at 1 Infinite Loop in Cupertino, California, United States. Its design resembles that of a university, with the buildings arranged around green spaces, similar to a suburban business park.

Apple Campus - Wikipedia

"Infinite Loop" tells the epic tale of Apple Computer, from the childhood of its co-founders all the way up through Steve Jobs' return to the company and the introduction of the iMac in 1998. Obviously Apple's story since then could probably fill a book in and of itself, but "Infinite Loop" is still an interesting look back at the early days of personal computing.
