EDWIN WAUGH DIALECT SOCIETY

Lancashire emerged during the Industrial Revolution as a major commercial and industrial region. The county encompassed several hundred mill towns and collieries and by the 1830s, approximately 85% of all cotton manufactured worldwide was processed in Lancashire. It was during this period that most writing in and about the dialect took place, when Lancashire covered a much larger area than it ...

Lancashire dialect - Wikipedia

But there is a wealth of Lancashire dialect words which have fallen out of use but should be resurrected. Derived from a mix of Old English and Old Norse words as well as Latin, Anglo Saxons and Norweigan, the rural Lancastrian dialect has some absolutely brilliant old words that we rarely hear any more.
