St. Francis Preparatory School

Meiosis flip book. The cycle is played two times in a row.

Meiosis FlipBook

Students till glue the last TWO images of meiosis onto the last page of the flip book. The odd gluing pattern is to conserve paper in an effort to fit 10 images onto eight sheets of paper. To simplify the process, use additional sheets of paper so that each page only has one image . . . it is always challenging working on a tight classroom budget!
