Shattering The Myths Women In
"An insightful and critical analysis of the status of women in higher education during the past 25 years." (Carol J. Auster Gender and Society) "Shattering the Myths is an unsettling book for women and should be the same for men. In essence, little has changed in the last 30 years to substantively improve the status of women in higher education and other professions or the cultural underpinnings that would make status advancement possible...

Shattering the Myths: Women in Academe: Glazer-Raymo ...
Shattering the Myths: Women in Academe: Glazer-Raymo, Judith Although significant advances have been made since 1970 to increase women's participation in higher education, women's equality is a myth, especially among academic leaders such as senior faculty, department chairs, deans, and administrators.

ERIC - ED432199 - Shattering the Myths: Women in Academe ...
In Shattering the Myths, Judith Glazer-Raymo uses a critical feminist perspective to examine women's progress in higher education since 1970. She contrasts the activism of the 1970s, the passivity of the 1980s, and the ambivalence and antipathy demonstrated toward feminism in the 1990s.
