The Art of The Boxtrolls eBook by Philip Brotherton ...

The difference with The Boxtrolls was that it was more about pure character animation and less about how to achieve a look. With ParaNorman we spent a lot of time composing these perfect still frames that we then animated. The Boxtrolls was more about movement and energy and the expressive quality of the line.

The Boxtrolls (2014) — Art of the Title

The Art of The Boxtrolls is the art book that documents the making of the film. It is like most other art books put out today: filled with art, history, and lots of behind-the-scenes information...

[ART BOOK REVIEW] The Art of The Boxtrolls | Rotoscopers

The look of the Boxtroll's landscape is in part influenced by German Expressionist art. The concept artists working on Boxtrolls were encouraged to distort and twist the architecture of the buildings, which when coupled with the play of light and shadows gives an interesting "destabilizing quality to the film".
