The Water Diviner Andrew Anastasios

posted by teacher on behalf of student, done as a class activity The water diviner by Meaghan Wilson Anastasios and Andrew Anastasios is by far one of the most boring and dragged on book's I've ever read. The overall plot of the book is about some Australian farmer named Joshua Connor that happens to know how to water divine (but basically never uses it in the book) that goes to Turkey in the now collapsing ottoman empire looking for his sons after the end of the Great War.
