Of the two novels contained in this book, "Jealousy" is by far the best. When I first read "Jealousy," I had never read anything else like it--because there is nothing else like it. For starters, the book is written in first person, yet it never uses the words I, me, my, mine, we, our, or us, or any other first person possessives.

A nice article. I'm quite obsessed about novels dealing with sexual jealousy, and I could talk all day about them, but the moment that I always think of above any other is the passage in Graham Greene's *The End of the Affair*, when, having begun an affair with the wife of a friend in her own apartment, and while making love on the couch, the book's narrator expresses concern that her ...
