Victorian novels remain enormously popular today: some continue to be made into films, while authors such as Charles Dickens and George Eliot are firmly established in the canon and taught at all levels. These works have also attracted a great deal of critical attention, with much current scholarship examining the novel in relation to its historical, political, and cultural contexts.

Again no problem. Plugging in the battery to my latitude laptop doesn't charge at all. Tapping the button once on the power companion turns it on and briefly (15 seconds) charges my laptop and then stops. I did this maybe 5 more times and then the power companion was completely dead. Tapping the power button shows no leds showing.
