CIBSE - Building Services Topics

CIBSE Guide B - Heating, Ventilating, Air Conditioning and Refrigeration. During 2001 and 2002, a completely new edition of CIBSE Guide B was published in the form of five separate 'stand alone' books. In 2004, the decision was taken to produce Guide B as a single volume and this publication is the result. The technical content of this combined volume is the same as the five separate sections, with only minor editing to correct errors and to remove obvious duplication between sections.
