Catalog / Manuals - Colt's Manufacturing LLC
The Ordnance Manual procedures called for proof firing of barrels, and marking them to show passage of the test, prior to submitting them to component inspection. According to a July 1861 letter from Major Hagner to the Chief of Ordnance, the proof charge for the Colt Model 1860 revolver was approximately double the service charge.

Second generation revolvers included the 1851 Navy, the 1860 Army and the Dragoon revolver. Additional models were introduced as third-generation Black powder revolvers, so if your revolver is one of the three models cited above, that narrows it down. The majority of Colt black powder revolvers, produced in the 20th century, are second generation.
