United Nations Specialized Training Materials

This Manual describes the United Nations (UN) Military Engineer Unit, focusing on Military Engineer Support to a UN Mission and Force Headquarters. Always scalable in size, modular in function and Mission-tailored, the UN Military Engineer Unit's size and composition depend on the size, composition and requirements of the UN Mission it supports and the physical characteristics of the Mission area.

United Nations Peacekeeping Missions Military Engineer ...

UN peacekeeping policy and guidance represents a body of knowledge that supports peacekeeping personnel in the implementation of their tasks. It provides direction and helps streamline work processes. All policy and guidance materials are based on good practices and lessons from field operations and are regularly reviewed. Here you can find key peacekeeping policy and guidance

Policy and guidance | United Nations Peacekeeping

UN Peacekeeping helps countries navigate the difficult path from conflict to peace. We have unique strengths, including legitimacy, burden sharing, and an ability to deploy troops and police from around the world, integrating them with civilian peacekeepers to address a range of mandates set by the UN Security Council and General Assembly.
