Genet Edmund White

Genet, along with States of Desire: Travels in Gay America, is my favorite of Edmund White's books, certainly the most important of his non-fiction books. It's a thorough, thought-provoking, scholarly biography about one of the most important gay writers of the 20th century. flag Like · see review

Genet by Edmund White - Goodreads

Edmund White is perhaps best known as a novelist but this biography of Jean Genet may well be his magnum opus. (And I find it astonishing that it seems to be out of print as of May 2007, since there is no other decent English biography of Genet available.)
