### Nursepreneurs For Nurses Who Want

Nursing is a tough profession. You work days, nights, holidays, weekends, in snow storms and through hurricanes.

### Non-Clinical Jobs For Nurses Who Want ... - nursepreneurs.com

My business finally changed when I started to reach out and connect with other nurse leaders, nurses in businesses and create partnerships with them. That is what I want for you as well. Meet thousands of other nurses in your area, with your same interest or who you could partner with inside the NursePreneurs Network.

### NursePreneurs

The standard non-clinical nursing jobs that jump to mind include nursing administration type jobs—nurse manager, nurse supervisor, nurse informatics, nurse director, or chief nursing officer. All good options if you really love dealing with every problem in the hospital, but if none of these appeals to you, then I have something else for you to consider.

### Non-Clinical Jobs For Nurses Who Want To ... - NursePreneurs

Nurse entrepreneurs hold unique qualifications. They can position themselves to start businesses in the health and wellness industry. Catie Harris, founder of NursePreneurs, sees this firsthand. Her company helps nurses develop business ideas. And helps market their products and services to the world.
