Television news writing - SlideShare

Watch one film with the commentary. Now watch the second film WITHOUT the commentary. Have a go yourself, either recording your voice on tape or writing it down. Now play the actor or director's commentary and compare it with yours. Soon, you'll be looking at every film or news report with the eyes of a picture editor. Good luck and happy editing!

BBC NEWS | School Report | Editing tips for TV news

Beginnings Shortcomings of film. The term ENG was created as television news departments moved from film-based news-gathering to electronic field production technology in the 1970s. Since film requires chemical processing before it can be viewed and edited, it generally took at least an hour from the time the film arrived back at the television station or network news department until it was ...
