## **[PDF] The Fundamentals Of Product Design Download Full ...**

It doesn't give any fundamental ideas of design and its howto at all. Very disappointed to pay so much money. When you buy a book with name "fundamentals", I expect it's about the theory of design a product and howto, but it's not. If you plan to buy it to learn how to design a product, don't waste your money on this one. Seriously disappointed!!!
