Legislation is law which has been promulgated by a legislature or other governing body or the process of making it. Before an item of legislation becomes law it may be known as a bill, and may be broadly referred to as "legislation", while it remains under consideration to distinguish it from other business. Legislation can have many purposes: to regulate, to authorize, to outlaw, to provide, to sanction, to grant, to declare or to restrict. It may be contrasted with a non-legislative act which
