The new exhibition Roman Mosaics across the Empire (at the Getty Villa through September 12) features examples from Italy, France, North Africa, and Syria, some dating back 2,100 years. Large assemblages of mosaics aren’t usually on display at the Getty Villa—no wonder, given that the largest group in the collection is over 600 square feet and weighs 16,000 pounds!

A Brief Introduction to Roman Mosaics | Getty Iris

Mosaic, in art, decoration of a surface with designs made up of closely set, usually variously coloured, small pieces of material such as stone, mineral, glass, tile, or shell. Unlike inlay, in which the pieces to be applied are set into a surface that has been hollowed out to receive the design, mosaic pieces are applied onto a surface that has been prepared with an adhesive.
