### The Oxford Encyclopedia Of Childrens

The Oxford Encyclopedia of Children's Literature "endeavours to account for all the most significant . . . works that have played a role in the history of children's literature in the world." That said, it does have a stated focus on the Anglo-American tradition, with the inclusion of entries on English-language authors from Australia, Canada, India, New Zealand, and African countries as well as those from other countries whose works have been translated to English.
