The Widening Scope Of Shame

"The Widening Scope of Shame contains important groundwork both for future discussion about the treatment of shame and for further investigation into the intersection of shame with other emotional states. Finally, the volume has the potential to inspire new considerations into how shame and shame-related phenomena can converge with culturally specific norms about gender, sex, the life cycle, class, and race."

[WorldCat.org]

Indeed, *The Widening Scope of Shame*, "intended for, but not limited to, clinicians" (p. xiv), explicates how the topic has burgeoned in recent years. As the title suggests, the multidisciplinary volume provides an expanded, yet more nuanced understanding of shame and shame-related phenomena in order to further understandings of self and self-other involvement.
