Transcultural History - Theories, Methods, Sources ...

Transcultural History reflects critically on the way history is constructed, asking who formed history in the past and who succeeded in shaping what we call the master narrative. Although trained European historians, the authors aim to present a useful approach to global history, showing first of all how a Eurocentric but universal historiography removed or essentialised certain topics in Asian history.

Transcultural History: Theories, Methods, Sources - Books ...

We will doggedly ask two questions in this class: "What is history?" and "How do you do it in 2010?" In pursuit of the answers, we will survey a variety of approaches to the past used by historians writing in the last several decades. We will examine how these historians conceive of their object of study, how they use primary sources as a basis for their accounts, how they structure the ...
