Transformation Of Church And State

The church, like the state, has been exposed to the temptation of power, which resulted in the transformation of the church into an ecclesiastical state. This took place in the development of the Papal States and, to a lesser degree, in several theocratic churches, as well as in Calvin's ecclesiastical state in Geneva in the 16th century.

Introducing the State of the Church 2020 - Barna Group

Integralism further involves a conception of the church as an authority over religion that replaces the state. The church is a sovereign potestas, with the authority to make laws and enforce these through punishments, just as is the state. Its authority is based not on natural law as is the state's, but on the revealed law of Christ.
