Violence Reflections On A National

Against punishment. Indeed, Gilligan sees violence and crime as a medical problem, a national epidemic, not a matter of inflicting more harm as punishment. Understanding its causes says Gilligan has nothing to do with dismissing the harm done to victims - but without understanding there is no hope of putting an end to it.

Violence: Reflections on a National Epidemic: Gilligan ...

A considered and well-written reflection on the reasons for violence in society, based on Gilligan's professional experience of working in America's jails. Gilligan is willing to examine issues that are largely written out of the narrative.

Violence: Reflections on a National Epidemic by James Gilligan

In this groundbreaking book, James Gilligan examines the epidemic foremost in the minds of most Americans--violence. As he tells the stories of the men he treated at a hospital for the criminally insane, Dr. Gilligan traces the devastating links between violence and shame.
