Writer's Resources

Writing concluding sentences can be optional because if you find that your entire paragraph can do without one, it is definitely all right to end your paragraph without a concluding statement. It is a rule that you must make sure that the paragraph should always maintain and focus on a single idea.

Paragraphs make a piece of writing easier to comprehend and give readers a "break" between new ideas in order to digest what they have just read. If you feel that the paragraph you are writing is becoming too complex, or contains a series of complex points, you may want to think about splitting it up into individual paragraphs. [1]
